

COMPETITIONS RULES

SIMPLY ADELAIDE WEST COAST SWING (WCS)

Simply Adelaide WCS is a World Swing Dance Council ("WSDC") Sanctioned Event since 2020 with points allocated in the Jack & Jill competitions according to WSDC rules. Competitions are run in accordance with the WSDC rules and policies.

COMPETITIONS

This event is gender neutral, noting that a competitor qualifies for their dance level based on either Leader or Follower points, whichever is highest. This defines their primary role as a leader or follower throughout the event. Competitors are allowed to compete in their non-dominant role one level down in Jack & Jill competitions (only), as long as they don't qualify in both for the same division in which case competitors will not be permitted to dance both roles in the same division. Examples and further details are available at the end of this document.

The Simply Adelaide competition guidelines are as follow:

- I. We encourage participants to be suitably dressed for competitions by wearing slacks/dress pants when competing. JEANS are appropriate if clean and unripped.
- II. Appropriate shoe wear is required.
- III. No lifts are allowed (lifts will be determined as both of the followers' feet leaving the ground).
- IV. Unless warranted by the Chief Judge, swapping partners during a competition will disqualify the entire division.
- V. For all Jack & Jill & Strictly competitions, no choreography is allowed, dancing should be spontaneous lead and follow style.
- VI. For all Jack & Jill & Strictly competitions, no 'costumes' are allowed. Matching or complementary appropriate outfits are acceptable.

STRICTLY SWING COMPETITION

Strictly competitions are designed to highlight skills in spontaneous WCS dancing and the ability to dance well with a chosen partner and enter the competition as a couple to dance to music pre-selected by the Head DJ.

JACK & JILL COMPETITION

Jack & Jill competitions are designed to highlight skills in spontaneous WCS dancing and the ability to dance well with a variety of partners. Competitors enter as individuals, are randomly assigned partners, and dance to music pre-selected by the Head DJ. Dancers will be judged individually in the heats & as a couple in the final.

COMPETITION DIVISIONS*

Novice Strictly Swing Division

A couple should compete in Novice Strictly when both dancers are eligible for the Novice and/or Newcomer Jack & Jill division(s).

Open Strictly Swing Division

A couple should compete in Open Strictly when at least one of the dancers in the partnership is eligible for the Intermediate or higher Jack & Jill division. Open Strictly division should not be mistaken for a Pro-Am division, but rather gives the opportunity for a Novice dancer to compete in a higher division if appropriate.

WSDC Newcomer Jack & Jill Division

A person should compete in Newcomer if they have never competed. A Competitor who has previously competed in Novice and has not accrued any Novice points and/or made it to Finals is eligible to compete in this category.

WSDC Novice Jack & Jill Division

A person should compete in Novice if they do not qualify for the Newcomer Category and have earned fewer than 16 Novice points and do not otherwise qualify for the Intermediate category.

WSDC Intermediate Jack & Jill Division

A person should compete in Intermediate if they have already competed at the Intermediate level and hold Intermediate points (and don't qualify for a higher category) or when they have earned 16 or more Novice points.

WSDC Advanced/Allstar Jack & Jill Division

A person should compete in Advanced/Allstar if they already have advanced points or qualify for this category.

**Please note that each category will only proceed if 5 or more leaders and 5 or more followers pre-register for the relevant division. The Event Director(s) may choose to include or not a division on a year to year basis. Other non WSDC divisions may or may not be offered at the Event Director(s) discretion.*
